Professional Statement:

Quick-learning, hardworking, and efficient coding student. Capable of working quickly, working under pressure, rapidly adapting, and listening; I am seeking a career in computer science.

Knowledge, Skills, and Abilities:

- Critical Thinking — Using logic and reasoning to identify the strengths and weaknesses of alternative solutions, conclusions or approaches to problems.
- Time Management — Managing one's own time and the time of others.
- Complex Problem Solving — Identifying complex problems and reviewing related information to develop and evaluate options and implement solutions.
- Programming — Writing computer programs for various purposes.
- Active Learning — Understanding the implications of new information for both current and future problem-solving and decision-making.

Certifications & Licenses:

- Information Technology Specialist – 301 HTML & CSS
- Arizona Department of Education – Graphic Design CTE Certificate

Education:

Buckeye Union High School   Buckeye, AZ   Expected Grad Date: May 2026
Relevant Coursework: Marching Band, Concert Band, Honors English I/II, Spanish I, AP U.S. History, Honors Science, and Graphic Design I/II.

West-MEC Coding Program
This two-year program teaches students how to design and develop software, build apps, and write and test computer code.

Extracurricular & Volunteer Activities:

Buckeye Union Gold Hawk Marching Band   August 2023 - Present
Joined in 2023, participated in competitions and performances, and completed solo performances.

Buckeye Union Concert Band   January 2023 - Present
